

Green Trails

Outdoor incentives

Green Trails

We are Pieter and Pierre.
Together with our team we have
organised outdoor events since
2011.

Winter 2020: bring your team **ice skating, hiking or winter kayaking!** Add team building & creative meetings. Because...

“...Ideas grow best in nature”

Team building

to improve communication,
creativity and team spirit

We've worked with

Fun events

to reward your team for their
great work

We've worked with

"...within ten minutes we felt like complete naturals on the ice"

Ice skating

Level: light / medium, beginner friendly

Duration: min. 2h

Group size: max. 40

Inclusions: instructors, skating gear, protection gear

Optional: open fire cooking / lunch bag, sauna, fika, transport, team building activities, creative meetings

For most of the team this will be a first-timer. Share laughs together trying out this new activity! We provide all safety & protection gears so you can just focus on **having fun**. How about a team building race when you have mastered the basics?

"Thank you for creating such a great memory"

Winter kayaking

Fitness level: medium, beginner friendly

Duration: min. 2h

Group size: max. 16

Inclusions: instructors, kayaks, dry suits & winter gears

Optional: open fire cooking / lunch bag, sauna, fika, transport, team building activities, creative meetings

Extra info: only double kayaks, all participants must be able to swim

With the right equipment, winter kayaking is an absolute **bliss**! Sharing a double kayak with a colleague is a great team building exercise.

"You are able to fully immerse yourself..."

Winter hiking

Fitness level: light

Duration: min. 2h

Group size: max. 50

Inclusions: guides, gear

Optional: open fire cooking / lunch bag, sauna, fika, transport, team building activities, creative meetings

Rather than learning a new activity we focus on simply **being outdoors**. Ideas grow best in Nature! There's plenty of time for some bush craft team building activities, walk 'n talk meetings and other ways of being productive.
